CCWS Family 5K Run/Walk for Life

Saturday, September 16 at 8 AM - 11:30 AM, Kerr Park

Chester County Women's Services Medical

Chester County Women's Services (CCWS) is holding a Family 5K Run/Walk and Family Fun Day at Kerr Park on Saturday, September 16, 2017 from 8am - 11:30am.

Come out for a fun morning that includes games, fun, and food trucks.

[United Sports](#) will have fun and games for the little ones, [Haute Wheels Truck](#) and [Kona Ice](#) will be on hand to keep your bellies full!

The purpose of this event is to raise funds to support the CCWS mission of providing free quality medical, educational, and material support to at-risk women and families facing unplanned pregnancies. Our goal is that each and every person who comes to CCWS would be empowered and equipped with the medical care, resources, education, and support needed to raise healthy, happy children in stable, loving home environments. We do this through our medical services and educational programs. All of these services are provided free of charge.

We will be taking a collection for new baby items on race day. Please consider bringing a baby item to donate to the ministry. This can include a pack of diapers, wipes, formula, clothing, blankets, etc. These items will be given to clients in need.

Race participants will meet at Kerr Park. The race will take place on Struble Trail (starting at Kardon Park).

Thank you for supporting your local non-profit pregnancy care medical center that exists to educate and empower women and their families to make life-affirming choices. Offices are located in Coatesville, Kennett Square and West Chester.
