

Sky's the Limit, an All-Abilities Playground

Kerr Park, Downingtown, PA

Sponsored by the Chester County Mothers of Multiples Club (CCMOMC), this very special facility allows children to play together regardless of physical or developmental limitations. It is the first playground on public park land in Chester County designed specifically to fully meet the needs of our disabled population!

SPECIAL FEATURES:

- 100% accessible by Americans with Disabilities Act (ADA) standards
- Extensive system of ramps and transfer stations
- Smooth surface compressed rubber shock-absorbent tiles under all play equipment
- Abundance of ground level play opportunities
- Themed imaginative play structures – castle, fort and fire truck
- Separate toddler area
- Swing set including tot swings, belt swings and high-back special needs swings
- Double and triple-wide slides
- "Monkey bars" complete with lower sections for wheelchair users
- 12,000 square feet of play space fenced for safety
- Patios, benches and planters integrated into play area
- Beautifully landscaped
- Surrounded by mature shade-trees
- Located adjacent to covered picnic pavilion, approved ADA-compliant restroom
- Access to parking lot and other park features via paved paths
